**RE: Industrial Water Use (N7L1-1789)**

Dear Mr. Pete Millman,

A final inspection/audit of the Devon Canada Corporation Water Licence N7L1-1789 (expiry December 31, 2007) was conducted on August 19, 2009. Specifically, the Water Licence was inspected/audited to ensure that the terms and conditions were met. Enclosed is a copy of the Inspection/Audit Report (1 page) for your review and/or records.

On July 7, 2009 Devon Canada Corporation sent a letter to the Northwest Territories Water Board to inform them that no activities were initiated by Devon associated with this licence as the program was cancelled and never undertaken.

In summary, Indian and Northern Affairs Canada (INAC) North Mackenzie District was unable to identify any issues as a result of this Water Licence. INAC North Mackenzie District will therefore be recommending **“File Closure” of Water Licence N7L1-1789** to the Northwest Territories Water Board.

If you have any questions/concerns regarding the enclosed and/or if additional information is required, please do not hesitate to contact me at (867) 777-8909.

Sincerely,

Jan Davies  
Water Resource Officer
